Erik Deaner, CEO of Carbiotix, comments

"I have chosen to increase my holdings in Carbiotix because I strongly believe in the Company's future. My confidence is based on the growing interest in LinkGut, our gut health testing service, and the commercialization of our first CarbiAXOS product. I have great faith in our dedicated team, which is why I have chosen to quadruple my previous holdings."

Forward-looking statements

This communication contains forward-looking statements, consisting of subjective assumptions and forecasts for future scenarios. Predictions for the future only apply as of the date they are made and are, by their nature, as is research and development work in the biotechnology segment, associated with risk and uncertainty. With this in mind, the actual outcome may deviate significantly from the scenarios as described in this press release.
